

COMMUNITY PROFILE

Waseca County is home for 20,000 residents

Waseca County is located in the heart of the Southern Lakes Region of southcentral Minnesota, covering 415 square miles of rich agricultural soil.

The 2000 census recorded a population of just under 20,000 residents in and around the cities of Janesville, New Richland, Waldorf and Waseca.

The county's 104-year-old court house is located in Waseca, the county seat.
